

Summer Student Placement

Opportunity which
can't be missed!

FOUR SEASONS
H E A L T H C A R E

Jark Healthcare, one of the UK's leading Healthcare staffing providers is offering summer placements for second year or above Medical Students working as Health Care assistants within Four Seasons Nursing Homes in United Kingdom.

Four Seasons is one Europe's largest Nursing home providers, with over 400 Nursing and Care Homes throughout the UK. The company has developed through both the acquisition and construction of care facilities, and has firmly established a reputation for professionalism in all aspects of its care operations. Four Seasons cares for over 17,500 people in its homes and specialist units and employs over 21,000 staff. The senior management of the company share a wealth of experience of delivering care services, in many cases due to lengthy and pre-eminent positions in the caring sector.

The Care Homes Division comprises approximately 230 homes in England and the Channel Islands, 55 in Scotland and 67 in Northern Ireland and the Isle of Man. Many types of care are provided in the divisions' high quality facilities including care for older people and those with dementia. In addition, there are dedicated services for respite care, rehabilitation, intermediate care, end of life and palliative care as well as care for younger persons suffering from chronic conditions.

Jark Healthcare works in partnership with the company in Northern Ireland supplying all grades of healthcare professionals and for the last six years is recruiting medical students with appropriate English language skills to complete summer internships for eight weeks.

The successful candidates will have a fantastic opportunity to develop their skills in the healthcare field whilst being paid as Health Care Assistants with the support of a highly skilled management team. Placements are full time across a number of locations in Northern Ireland with assistance to identify suitable, low-cost accommodation, free uniforms and ongoing training.

If you are a Healthcare Student who has completed 2 or more years and would like to secure a place for a face to face interview in your Country, please send your CV to our Head of European Recruitment, Flav Mos @ Fmos@jark.co.uk by **12th of April 2019** or call on 0044 (0) 2890 238588 for further information.
